EFI in Central America

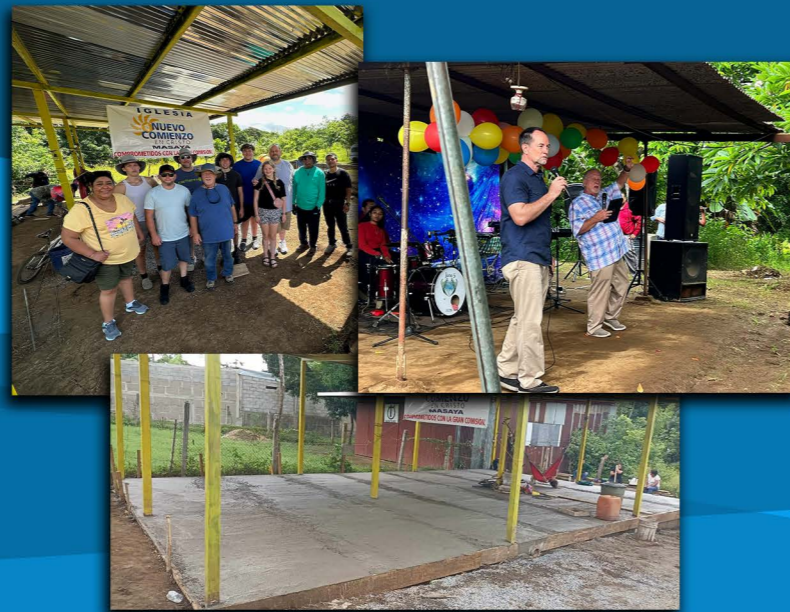

Running with the Vision

Recently, EFI held pastor retreats and leadership conferences in Guatemala and Nicaragua, with the theme of "Running with the Vision". These gatherings were led by Hinner and Katia Zúñiga, Bryan and Millie Hutson, and Steve and Debbie Sawyer. The American team was able to see firsthand the fruit that EFI is sowing into our pastors and churches of Central America. The generosity of our fellowship played a hand in making so much of this possible. One thing is evident, our Guatemalan and Nicaraguan ministers love and appreciate being a part of Evangel Fellowship International. Expect to see tremendous growth and fruitfulness from our partners in this part of the world, where we are "relationally connected for global impact!"

Image Church in Nicaragua

In July, Image Church of Matthews, NC took a trip to Nicaragua. What a blessing they were to the people of Nicaragua. They led a street revival, preached at 3 different local churches, participated in multiple VBS', did electrical work at a church and laid the foundation at another. The total cost put in by Image was upwards of \$3,000. Safe to say, big things are happening in Central America and around the world through EFI!

Newsletters Are Going Digital

We are excited to announce, beginning in 2024, our newsletters will be digital only! We know this is a major adjustment, however, we feel this is necessary to help propel us into the future. By going to an online newsletter, we will be able to include more information, more links, more advertising for church events, more ways to give to missions and building projects, and much more. Overall it will be a more user-friendly experience. These will be sent out by email, and also posted on our website. If you do not have an email in our system, please email Debbie Dixon at admin@efiglobal.org to receive these newsletters. If you have anything you'd like to share in future newsletters, please email reed.cater@efiglobal.org.

A Message from the Chairman

Dear EFI Family,

This summer is flying by. Each of us are at various places in our journey to fulfill God's purpose. I rejoice with Mitch Horton who finally has their educational building finished after years of setbacks. However, many of you are still in the dreaming stage and have yet to break ground on whatever it is God has put on your heart. Some are still waiting for the right worship leader or youth pastor.

These times can seem to last forever but God has all of it in His hands. Some are wishing they could make a greater impact globally but continue to struggle just to meet budget. This is still the season to call on the Lord for direction. Sometimes that means a step of faith as God directs. I want to encourage you to continue to pursue God and obey quickly to His prompting. Most of our miracles are literally just one step of obedience away. God bless you my brothers and sisters. I truly love you and pray for your strength to remain strong.

Phillip Miles
