# 40th Anniversary

## 40th Anniversary Conference

The 40th Anniversary Conference was truly a blessing for everyone. It was a time of much needed connection and love. It is always a joy to gather together with the EFI family. We are so thankful to have the connection that we have with each other. Most importantly we're grateful that we can get together and worship our Almighty God. While worshipping Him, we were also able to honor the late Bishop Houston Miles and Evelyn Miles for their commitment to EFI that started 40 years ago, along with our current Chairman, Phillip Miles and our First Lady, Lynn Miles. Thank you all for another great conference!

# A Message from the Chairman

Dear EFI Family,

In this season I am reminded that Jesus had to pay a price to help us. It was costly for Him to bring us into His family, but it was worth it to Him. So it is with our journey and mission. It is not cheap to expand our spiritual family. It takes time and effort.

Isn't it interesting how we long to be touched yet we are reluctant to take initiative? I learned from my dad a long time ago that you have to give the very thing you need. Do you need attention or love? Then you know what you have to give. Gift giving is really seed planting. When the Holy Spirit puts someone on your heart, do not stop until you plant a seed and make a connection.

This is the season to give but in reality it is the season to plant for the coming year. The most powerful seed is our ability to communicate the words, "I love you" by either doing, giving or saying. "For God so loved that He gave..." By the way, we love you.

Merry Christmas,  
Phillip and Lynn

*Phillip Miles*

## 40th Anniversary Online

# We Need Your Help

EFI Family,

We need your help to make a lasting impact for our missions and building projects. Your generosity will allow us to bring hope, support, and positivity to communities in need. Together we can make a difference and participate in growing God's Kingdom. More detailed information on Global Initiatives will go out at the first of the year.

# Newsletters Are Going Digital

We are excited to announce, beginning in 2024, our newsletters will be digital only! We know this is a major adjustment, however, we feel this is necessary to help propel us into the future. By going to an online newsletter, we will be able to include more information, more links, more advertising for church events, more ways to give to missions and building projects, and much more. Overall it will be a more user-friendly experience. These will be sent out by email, and also posted on our website. If you have not been receiving emails from us please email Debbie Dixon at [admin@efiglobal.org](mailto:admin@efiglobal.org) to add your email to our database and receive these newsletters. If you have anything you'd like to share in future newsletters, please email [reed.cater@efiglobal.org](mailto:reed.cater@efiglobal.org).

# Reminders

- Renewal notices will be sent out the 1st of January.
- If you're not receiving emails from us, please send an email to [admin@efiglobal.org](mailto:admin@efiglobal.org)
- Mark your calendars for next year's conference at Ridgecrest on October 21-23.
