## A Message from the Chairman

Greetings EFI Family,

It is very rewarding to see the global doors opening again. It is also shocking to see the evil that exists in the world and to witness what is happening to our brothers and sisters in Ukraine. Our Bishop planted many churches in Ukraine and our sense of grief is personal and magnified. We must pray earnestly as if it were a physical son or daughter being threatened. "We declare protection in Jesus' name over the citizens of Ukraine."

EFI is beginning to schedule more regional meetings for the purpose of spending time with our fellow pastors and leaders. We need each other and what we have in common as our mission and love for God binds us together. I love that EFI is living beyond itself for the benefit of those globally who are struggling and resource deprived. We long to see the church of our Lord spread one neighborhood and one city at a time as we get behind our local pastors. We want to encourage and resource them for the gospel. Your contribution has really made a difference!

I look forward to seeing you at a regional meeting coming soon in your area. Do all you can to attend so we can encourage one another.

God bless you.  
With sincere affection,  
Phillip

## Church Renovation

Congratulations to Pastor Misael Marcelino and the congregation of Centro Cristiano Bethel in New Port Richey, FL. The church just completed the remodeling of their sanctuary and fellowship hall, just in time for their church anniversary celebration. We are so happy to have this great church as a part of Evangel Fellowship International.

## EFI Regional Meetings

For several months COVID-19 put a halt on our regional luncheons and gatherings. We are glad to announce our regional meetings have officially started back up. We truly cherish these moments we have together to build and grow relationships and rejoice and fellowship in the Gospel.
