Missionaries of the Month

Our October Missionaries of the Month are Bob and Mary Holland! They are stepping back from the missionary field. They are calling it retirement, but as we know, you never truly retire from God's work. EFI is so grateful for their work in spreading the Gospel for so many years. They sent an update on their final mission in the letter below.

Dear Family, Friends, and Partners,

We returned to Jamaica for five weeks this summer and, although it was a very emotional time, it was also a very productive trip in many ways. With your support we were able to do the following:

- Provide all the craft supplies for Family Church on the Rock Joseph Project
- Donate 7 single beds and mattresses to West Haven Home for Handicapped Children
- Contribute three van loads of household goods to Family Church on the Rock's Yard Sale to benefit a much-needed church roof
- Use all our leftover tiles from our own project to completely finish the floor of Zion Mount Basic School in Bessie Baker
- Give three chalkboards, a bulletin board, an 8 foot table, and a generous supply of teacher's resources to the local basic school
- Purchase and fill 30 school back packs for students returning to Zion Mount
- Host a Jesus filled fun and craft day for the neighborhood children, ages 4-12
- Host a \$100 (US\$0.67) neighborhood yard sale for remainder

In addition, as word spread we were returning to the States, a steady stream of young people we had mentored came to visit and pay respect. We have continued to receive texts and phone calls after returning to Ephrata that are just so touching.

We are now back in Ephrata, Pennsylvania, and are moving forward by faith. We have found our place in a local church, New Life Fellowship, and will begin to host a weekly small group at our new home, teaching on powerful and effective prayers, beginning September 14th.

With love, Bob and Mary Holland

First EFI Multinational Online Conference

EFI recently held its first ever multinational online conference. The conference was live streamed to Guatemala, multiple cities in Nicaragua and multiple US locations. We are moving forward at a rapid pace. This is just the beginning. All glory to God! The stream is available on our website, in the media tab.

Pastor Training in Mexico

Recently, Pastor Hinmer Zuniga, Pastor Rod Reid, and Pastor Don Vess went to Mexico to hold EFI pastor trainings. A portion of this event was live streamed on Facebook and can be found on EFI's page. It was an amazing trip full of fellowship! It is always a blessing to connect with our EFI pastors.

A Message from the Chairman

Greetings EFI Family,

The time is fast approaching for our annual Leverage Conference. This is the one time each year we encourage every member to gather together. We want to encourage our Hispanic family to participate as well.

In reading Romans this morning, I saw clearly what our time together is to focus on. "When we get together, I want to encourage you in your faith, but I also want to be encouraged by yours." -Romans 1:12 NLT

Yes, we hope to encourage you, but we all need encouragement as well. We have a great faculty lined up to speak and I know if you come hungry you will be fed. So much is happening around the world, and we are excited to be able to share with you. In fact, I have some very exciting breaking news that will be shared Tuesday night. You will be thrilled! Bring your entire team so they can experience the culture that helped shape your ministry and vision.

We remain Relationally Connected for Global Impact.
With great affection,

Phillip Miles
